

# Understanding Your Farm Landscape

**Murrumbidgee  
Landcare Inc  
event**

**FarmLink  
361 Trungley Hall Rd  
Temora NSW 2666**

**Wednesday 8th  
November**

**9am - 3:30pm**

Want to improve the health, productivity, resilience, efficiency and amenity of your property?

Then join us for this hands-on workshop and learn how rural landscapes function using a landscape ecology approach.

## **David Hardwick will cover:**

- How to “see” your property as a Rural Landscape System
- The building blocks of your farm's landscape
- The 4 key processes of rural landscapes: water and nutrient cycles, energy flows and landscape dynamics
- The range of strategies for regenerating your farm's landscape

To attend this **Free** event please RSVP via the link: <https://events.humanitix.com/>

Morning tea and lunch will be provided.

**Please bring: enclosed shoes, hat, water bottle and sunscreen**

**We will be driving to a different location to view our landscape**
